## Open House Public Information Meeting State Route 2, Safety Improvements In San Bernardino Counties

US Department of  
Transportation Federal  
Highway Administration

<b>WHEN AND WHERE</b>	<b>Date: Tuesday, April 20, 2004</b> <b>Place: Wrightwood Community Building</b> <b>Time: 5:30 PM to 8:30 PM</b> <b>1275 State Route 2</b> <span style="float: right;"><b>Wrightwood, California</b></span>
	<p>The map shows State Route 2 running through Wrightwood. Key locations include the intersection with Los Angeles National Forest, the Swarthout Creek Bridge (No. 54-0359), and the Sheep Creek Bridge (No. 54-0360). Local streets shown include Rivera Dr., Mountain View, Spruce St., Pine St., Cedar St., Willow St., Elm St., Walnut St., Oak St., Lone Pine Canyon, Thrush Rd., and Sheep Creek Dr. The project area is marked from STA 4+35 to STA 38+64. A north arrow points towards the top right.</p>
<b>WHAT IS BEING PLANNED</b>	<p>The California Department of Transportation (Caltrans), in conjunction with the Federal Highway Administration (FHWA), proposes to construct improvements within a two-mile segment of State Route 2 through the community of Wrightwood.</p> <p>The proposed project will improve safety and local access by constructing a continuous two-way left turn lane, and standard eight-foot paved shoulders from Rivera Drive to just east of Sheep Creek Drive. Work will also widen the Swarthout Creek Bridge, improve drainage systems, construct sidewalks and curb ramps along selected portions of the route, and relocate some overhead utilities. The project will not add more travel lanes. The project will not increase highway capacity.</p>
<b>WHY THIS AD</b>	<p>To notify you that Caltrans will host an Open House Public Information Meeting to introduce the project to the community and advise you of project progress.</p>
<b>WHAT IS AVAILABLE</b>	<p>Aerial photography with Assessor Parcel information, traffic and accident information that show a need for the project, as well as Caltrans project management, design, environmental, and operations representatives will be available at the meeting. Since project development and environmental evaluation are at early stages, a detailed design is not yet available for review. Comment cards will be available and will be accepted at the meeting or can be mailed to Mr. Luke Stowe, Chief Environmental Studies "A", California Department of Transportation, 464 W. Fourth Street, 6TH Floor, MS-823, San Bernardino CA 92401.</p>
<b>WHERE YOU COME IN</b>	<p>This is an opportunity for you, the public, to learn about the project, to discuss community concerns about the project with Caltrans, and to provide information you feel may be important to project development and/or the environmental evaluation.</p> <p>Caltrans will accept written public comments in response to this meeting up to May 21, 2004. Additional project detail will be developed and one or more additional public meetings with opportunities for public comment are anticipated prior to project approval. Caltrans will publish public notices for specific stages of project development to keep the community apprised of project progress.</p>
